Dear Edison Parents,

I want to take this opportunity to thank the great many people that have helped make the Edison Baseball program such a huge success this past year. The entire Booster Club Board has been great partners to me in helping us achieve so many great things this year at Edison Baseball, so a special thank you to Sean, Lisa, Jeff, Amy, Rusty and Tania for all your hard work and efforts throughout the year. Your dedication and support has made the last two years so memorable and fun.

In addition, there were a number of other parents that were not Board members that helped volunteer to make this year a success, so special thank you to Barbara Arenado, Ron Bazer, Alicia Gooch, Eileen Pay, Jennifer Pokorny, Kelli Adams, Robert Leonard, Beth Davis, Ken Krueger and Meg Mahony as well as many others that I may have inadvertently left off this list.

As the season comes to a close I want to especially thank all of the Coaches for the time they dedicated to the players at Edison. Your devotion to the team and the players is very much appreciated and the lessons our sons have learned while playing baseball at Edison will last a lifetime.

To Head Coach Chinn, a special thank you for building a baseball program focused on character and integrity not just wins and losses. The Edison Baseball program is a highly respected program in Southern California and you deserve a lot credit for establishing this reputation.

Also, a special thank you to Barbara Arenado, Ron Bazer, Alicia Gooch, Eileen Pay, Jennifer Pokorny, Kelli Adams, Robert Leonard, Beth Davis, Ken Krueger and Meg Mahony as well as many others that I may have inadvertently left off this list.

Finally, a special note to my wife and family, thank you for always supporting me while I was President at Seaview Little League and Edison Baseball. It was a great journey for all of us and will always be a big part of our life.

All my best to everyone involved with Edison Baseball.

Michael Mailman
Baseball Booster Club President

Welcome to another exciting season of Edison Charger baseball. Our new Coach Cameron Chinn and his outstanding staff have worked tirelessly preparing for the upcoming games. We are very fortunate at Edison to have such a great coaching staff leading our young men. Their positive attitude toward the players and the game has instilled confidence in our team. The players have worked hard all summer in the weight room and on the field, and are eager for the approaching campaign. They will play hard to the final out knowing that Edison's vast community is standing behind them.

I invite everyone to become a member of our "Edison Family". You can get on board by joining the booster club, going to games, volunteering to help, or just giving words of encouragement to our players and coaches. I know you will find that once you join you are a member for life. Join and you will see why everyone involved with Edison High School says they are …

Welcome fans to another great season of Charger Baseball. We are so fortunate to have such dedicated players, coaches, boosters and spectators at Edison High School!

I truly believe that student participation in extra-curricular activities, such as athletics, plays an important role in a student's success during high school. The values and personal strengths students learn through such activities are lifetime gifts they will take with them into their future challenges and into their communities.

Coach Cameron Chinn has done an excellent job in assembling a great coaching staff and a group of young men who are dedicated to academic success, a sense of fair play, as well as personal and team goals. They certainly have the heart and determination for a very successful season. These young men are ready for league competition!

So get out your green and yellow - clear your throats to cheer - and get ready for another great season of exciting high school baseball for spectators and players alike. We appreciate your support!
