

Edison Chargers Fan,

Our athletes are looking forward to their upcoming baseball season! Every year it is necessary to raise funds to help offset the cost of our field maintenance, improvements, equipment and travel. Again this year, Edison Baseball is offering **EHS Field Banners.**

The Field Banners are 6'x4' & 8x12 vinyl advertisements that are displayed all year long at the EHS ballpark for maximum exposure and to show community pride in our program. In addition, every banner purchase or renewal receives a free business card ad in the **Edison Baseball Media Guide.** The Media Guide offers quality advertisement space that will be viewed by players, family, friends, and community members. This is a great way to support Edison Chargers Baseball!

Your donation may be tax deductible as provided by law. Non Profit #95-2163982

Thank you in advance for your support,
EHS Baseball Booster Club
