

## EDISON CHARGERS BASEBALL - FIELD BANNERS ORDER FORM

Our athletes are looking forward to their upcoming baseball season! Every year it is necessary to raise funds to help offset the cost of our field maintenance, improvements and equipment. Again this year, Edison Baseball is offering advertising space at our facilities through EHS Field Banners.

The Field Banners are 4x6 vinyl advertisements that are displayed all year long at the EHS ballpark for maximum exposure and to show community pride in our program. In addition, every banner purchase or renewal receives a free business card ad in the Edison Baseball Media Guide. The Media Guide offers quality advertisement space that will be viewed by players, family, friends, and community members. This is a great way to support Edison Chargers Baseball! Your donation may be tax deductible as provided by law. Non Profit #95-2163982
